

Kick-start your journey to fuller, healthier hair with ZEO GROWX™, an extracellular vesicle and protein suspension* which is the essential first step in the ZEO HAIR GROW™ powered by Exotropin™ System.

- Formulated with amniotic fluid extract and soluble proteins, growth factors, extracellular molecules, and exosomes
- Optimizes scalp health and vitality
- Nourishes, soothes and fortifies hair follicles
- This innovative ingredient kick-starts the process to optimize the scalp environment to promote a natural healthy hair growth cycle and improve the appearance of hair
- For optimal results, a series of three applications over 90 days is recommended

*ZEO GROWX™ is a post care "topical use" cosmetic product that has been reviewed and registered by the FDA in compliance with the Modernization of Cosmetic Regulation Act of 2022 (MoCRA). This product is not a drug and is not intended to prevent, treat or cure diseases or medical conditions. ZEO GrowX™ is not intended to be injected.
